

## Key Stage 2 Results 2023

We are extremely proud of our year six children who sat any of the SATS tests in May. The tests were extremely challenging and **all** children did themselves proud with their attitude, determination and effort.

### SCHOOL DATA

#### Reading – Average Vermont Scaled Score = 91

	Reading SATs Test			Reading Teacher Assessment	
	Number of children	Percentage	National %	Number of Children	Percentage
Working at the expected standard	0	0	74%	0	0
Working below the expected standard (Y3 - Y6)	12	57%		12	57%
Did not sit the test (Below Y3)	9	43%		9	43%

#### Grammar, Punctuation and Spelling Test – Average Vermont Scaled Score – 90

	GPS SATs Test			GPS Teacher Assessment	
	Number of children	Percentage	National %	Number of Children	Percentage
Working at the expected standard	0	0	72%	NA	NA
Working below the expected standard	6	29%		NA	NA
Did not sit the test (Pre-Key Stage 2)	15	71%			

#### Writing – Teacher Assessment

	Writing Teacher Assessment	
	Number of children	Percentage
Working at the expected standard	0	0
Working below the expected standard	1	5%
Pre Key Stage 2	20	95%
Absent (not enough evidence to make an assessment)	0	0

#### Mathematics – Average Scaled Score = 89.5

	Maths SATs Test			Maths Teacher Assessment	
	Number of children	Percentage	National %	Number of Children	Percentage
Working at the expected standard	0	0	71%	0	0
Working below the expected standard	7	33%		9	71%
Did not sit the test (Pre Key Stage 2)	3	66%%		11	19%
MISSING PAPER*	3	0.7%			

\* A common occurrence this year, found by many schools, is the 'disappearance' of some of the children's papers between them being sent off and then the results coming back. We have three of our Maths Paper 3 missing. These three children therefore do not have a maths score at the moment.
