VERMONT SCHOOL

The Vermont Family belong, believe and achieve together

6th November 2026

Dear Parents and Carers,

Introducing Our New Bay Tree School Logo

Following our recent letter about the exciting changes ahead for Vermont School, we are delighted to share our new Bay Tree School logo with you.

Firstly, we would like to thank all the parents, carers, pupils and staff who took the time to participate in our logo consultation. Your feedback has been incredibly valuable in helping us shape the new identity of our school.

We are pleased to now share the logo that has been selected to represent Bay Tree School.

Our new logo represents an exciting new chapter as we prepare to join Special Schools Trust (SST) on **Monday 1 February 2027**, when Vermont School will officially become Bay Tree School.

The Bay Tree symbolises resilience, growth, strength and achievement, qualities that we see in our pupils every day. Our new identity reflects our commitment to supporting every child and young person to grow, flourish and achieve in their own way.

We hope our new logo will become a symbol of pride and belonging for our whole school community.

Supporting Families with Our New School Uniform

As part of our new school identity, we will also be introducing uniform featuring the Bay Tree School logo.

We recognise that changing the school's name and uniform is a significant step, and we are mindful of the financial pressures that families may face. We want to ensure that this transition is as smooth and positive as possible for everyone.

To support our families, the school will purchase a new Bay Tree School uniform for every pupil, completely free of charge.

Parents and carers will be able to choose one of the following options for their child:

- **Two school jumpers**, or
- **Two school cardigans**, or
- **One school fleece**.

All items will feature our new Bay Tree School logo.

We will shortly be asking families to confirm their preferred uniform option and the size required so that we can arrange the orders.

Pupils will be able to wear their new Bay Tree School uniform from Monday 1 February 2027, when we officially join the Specialist Schools Trust.

Looking Ahead to 1 February

We are really looking forward to officially becoming Bay Tree School on Monday 1 February 2027 and beginning this exciting new chapter as part of Special Schools Trust.

We hope that our new logo and uniform will help create a strong sense of identity and belonging for our pupils, and we look forward to celebrating this important milestone together as a school community.

Thank you to everyone who has contributed to shaping our new school identity and for your continued support as we prepare for this next chapter.

Yours sincerely

Kelly Moss
